Assistant Commissioner for Patents
Washington, DC 20231

AMENDMENT

Introductory Remarks

The specification is amended to remove reference number "40" from paragraph [0029] of the specification. As such, it is not necessary to amend the drawings to add that reference number.

Claim 7 is amended to add limitations related to the annealing process including the minimal time required for annealing the metal-containing material in order to form an ohmic contact with a silicon carbide layer.
